Dear Heritage Society Members,

We had another good year in 2018 for the society. The museum display was centered around Willsboro during the First World War. We had many items of military nature including uniforms, medals, and equipment that were given or loaned to us by families of WW I veterans. We also had a quilt show display from the Lady Bug Quilters in Willsboro. Over the course of the summer more than 200 visitors went through the museum.

We continue to seek funding for preservation of the Adsit Cabin. In addition to exploring other ideas for its management.

We did produce a booklet titled *Willsboro During World War I, The Grreat War*. In it is discussed the home front as well as pictures and stories of veterans of the war from Willsboro. The booklet is available for \$10.00. You can order one on your membership form for 2019.

At the annual meeting in August, the officers were continued. Ron Bruno gave a presentation on Willsboro Bay.

We continue to see many people stop and look at the kiosk. It is attracting people to then come to the museum.

We are looking forward to seeing you at the museum and our events. Enclosed is a 2019 membership form. Please complete and return it to us. We thank you for your continued support.

Sincerely,

Charles Lustig
President
